

# Airport Safety Seminar and Fly-in Picnic Canandaigua Airport

---

**Tuesday, June 28, 2022, 6 pm**

**T-Hangars, Unit #24**

## **Safety Topic: Non-Towered Airport Operations**

*Event Details:* Enjoy an outdoor cookout with meats supplied by Artisan Meats. The fly-in/drive-in picnic will be followed by an Airport Safety Seminar featuring Norm Isler, Northeast Ambassador for the Aircraft Owners and Pilots Association and FAA Safety Team Representative and Representatives from the local Flight Standards District Offices.

Learn how to be a safer, more efficient pilot while operating in the non-towered environment. The presentation will provide information for all pilots who fly in and out of non-towered airports, including FAR and AIM requirements, “pattern etiquette,” and more.
